Key knowledge

This unit revises the following key knowledge from the previous Year 1 units:

- Plants
- Animals, including humans
- Everyday materials
- Seasonal changes

Optional Homework

Due Friday 10th July

- Make a poster about the 4 seasons of the year. Can you draw pictures or collect photos of signs of Summer?
- Create a fact-file about a favourite animal.
- Design or build an animal home. What materials would be most appropriate to suit an animal's habitat?
- Create a chart about the birds that visit your garden. How many different types of bird are there? Which type of bird comes the most?
