

Multi-Sports

We offer a range of different sporting activities at CE Coaching holiday camp from football to gymnastics. Our well-trained staff aim to improve your child's sporting ability as well as keeping them engaged whilst having fun. We love to see the children interacting with each other and building friendships through team sports and competition.

Performing Arts

At CE coaching holiday camp we offer a variety of different performing arts activities such as singing, dancing, talent shows, arts and crafts and much more to keep your child's mind active through creative and thought provoking projects. Our coaches aim to build confidence and increase self-esteem by taking them out of their comfort zone through performing in front of others and in groups.
