

13th September 2018

Dear Colleague

At the request of Governors to receive the Standards and Effectiveness Partner's school report directly, please find attached the school's report for the Summer term 2018. This will hopefully help to keep Governors informed about the progress the school is making. The report also indicates the Local Authority categorisation for the school which was agreed at the July visit 2018. Please see attached the new Learning & Improvement Strategy for more information.

Should you have any queries regarding the report or the categorisation of the school please contact your Standards and Effectiveness Partner (STEP) or myself who will be happy to discuss this with you.

To further help us improve our work please could you fill in the attached questionnaires and send them back to Cindy Edwards (Cindy.Edwards@bracknell-forest.gov.uk) by Friday 28th September 2018. There is one questionnaire for Headteachers and one for Governors. We do take your feedback seriously and act upon suggestions as appropriate.

Yours sincerely
