### Pupil group analysis

#### Average Score 2021

#### Average Score 2019-21 pupil numbers are averaged across the three years

Green circle or bar indicates that attainment is significantly above the national average. Red circle or bar indicates that attainment is significantly below the national average. The blue line on the charts represents the pupil groups' national average.

Indicators only include pupils who have been assessed. Cohort sizes may vary with the number of assessed pupils for the 17 ELG.
