

Recommended books

At College Town Primary School, we recognise that fluent readers learn more. High-quality literature plays a key role in development and enables pupils to gain knowledge and build on what they already know. Reading a range of books will broaden children's vocabulary and imagination. With this in mind, we have collated a list of books for each year group which we would want them to have encountered by the time they leave primary education. These suggested reads will expose children to a range of high-quality authors and exciting texts to foster a love of reading.

These recommended books will remain a working document as new books are always being written and discovered.

**The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.**
