16th October 2026

Dear Parents/Carers,

Reception children will have the opportunity to enhance their learning in our Forest Schools area after the Half Term. The children will get to play and learn outdoors, making dens and climbing trees.

Please see the attached dates for your information.

Children will need to come to school in warm clothes and lots of layers. Please send your child with a named bag with wellies, hats, gloves and scarves. School will provide waterproof clothing to go over the top.

Please ask your child's teacher if you have any further questions.

Kind regards,

Reception Team
