College Town Primary School

"Be the best that you can be."

Nursery Curriculum Newsletter

October 2026

We have had a wonderful time exploring our topic **"All About Me"**. We have enjoyed sharing our family books with our friends, talking about our families and exploring the similarities and differences between them. We have been discussing what makes each of us special and sharing our thoughts about the important people in our lives. The children have also created their own family trees, helping them to think about their family connections and the people who are part of their world.

We have been busy creating our own self-portraits, carefully looking at and discussing our individual features. The children have been thinking about what makes them unique, noticing details such as their hair, eyes and other features, while celebrating how we are all different and special in our own ways.

Our outdoor adventures have continued as we have explored the forest together! Through our interactive stories, the children have been building relationships, developing their communication skills and getting to know their new friends. They have become wonderfully absorbed in imaginative play, using their creativity to explore different ideas, share experiences and develop connections with one another.

.

Dates for the diary:

Tuesday 20th October— Parents Evening

Thursday 22nd October— Parents Evening

Monday 26th —Friday 30th October
Half term

Monday 2nd November— inset day

End of Term**—Friday 18th December**

Reminders

- Please make sure that your child's uniform and water bottle is clearly named.

Don't forget to look at our new school website: www.collegetownprimary.com/ for any updates.

This term we will be learning…..

After half term our topic is **Fantasy and Adventure**. We will be reading some adventurous stories to help develop our imaginations and use this to extend our play. This will help to support communication skills, relationships and rules of play with our peers. We will continue to visit the forest for some more stories and a few games of hide and seek.

During the lead up to Christmas we will be practising for our nativity which we are looking forward to performing for you.
