5th September 2025

Dear Parents and carers,

We are excited to share some wonderful news about playtime at our school. To give the children new opportunities to stay active, build skills, and enjoy their breaks, we've recently added new playground equipment: table tennis, connect 4, chess, and basketball.

To help our children get the most out of these activities, we'll also be developing the roles of play monitors throughout the term. These monitors will guide the children in using the equipment responsibly and encourage them to take ownership in caring for it.

Alongside this, Mr. Norman and Mrs. Hood will be on hand to provide direction and support, helping children to develop the appropriate skills to play safely, fairly, and with enthusiasm. Mr Price will also be opening the multi-sports arena each lunchtime too so that there is an opportunity for children to build on the skills that they are learning in their PE lessons.

We believe these additions will create more variety, encourage teamwork, and give the children a chance to learn new hobbies while also reinforcing responsibility.

Thank you for your continued support in helping us build a positive and engaging playground experience for all.

Yours faithfully,

Trudi Sammons
Headteacher
