Nursery Curriculum Newsletter

December 2025

This half term the children have really enjoyed our topic of Fantasy and Adventure. In particular, small world role play and dressing up. The children have been very creative this half term and a lot of their creations have been used to extend their imaginary play. The family books have been great talking points and the children love sharing stories with their friends.

We have ended this half term with the fantastic nativity and we have the school trip to still look forward to.
