16<sup>th</sup> March 2026

Dear Parents/Carers,

As you will know swimming lessons are part of the National Curriculum and every child has to learn to swim before leaving primary school. The school will be using Elite Swimming. The company provide an on-site pool, which accommodates 12 pupils, it is heated, with water quality checks being continually monitored. As you would expect they will also have a qualified coach and lifeguard at all times.

### **Swimming dates and times:**

Each child will swim daily from Monday 13<sup>th</sup> April - Friday 24<sup>th</sup> April. Classes have been split into groups based on their ability.

### **Swimming attire:**

Children must wear either tight fitting trunks, shorts or full costume.

Bermuda style swimming shorts are not allowed for safety reasons and should your child bring these they will not be permitted to enter the pool. All children must wear a swimming hat. Hats can be purchased from school for £4 to be paid online through the School Gateway app or you can provide your own hat. **No hat no entry to pool.** On the first day hats will be named by staff before the first session and then the hats will be kept in school ready for the two weeks. Children must bring a labelled bag to put their clothes in, a towel and shoes to wear to the pool e.g. flip-flops.

### **Changing arrangements:**

Children will get changed for their lessons in the MSA changing rooms, there are separate female and male facilities.

We understand that some girls in Year 5 will be going through puberty and therefore could possibly be menstruating. This could mean that unless your child uses a tampon they would not be able to swim. If this affects your child please let the office know so we can inform the staff discretely so they won't be asked to come and get changed avoiding any embarrassment.

Kind regards
