“Be the best that you can be.”

Year 6 Curriculum Newsletter

March 2026

In maths this term, we have been learning about area and perimeter of shapes, I enjoyed this topic as it is challenging. We found areas of triangles, rectangles and parallelograms. We have also been learning about fractions, percentages and decimals. Overall this has been fun and tricky at times!

Chloe S, Red Kites

This half term, we played basketball and we learned passing, throwing, dribbling and shooting. My favourite part was throwing! We had team competitions with dribbling and shooting, where we had to stand by a cone and try to shoot the ball in the hoop, and if you got the ball in the hoop, you kept the cone you were standing by!

Sosang R, Red Kites

In history, we had a visitor, who told us about the history of the RMA and the changes that were gradually made. Our visitor brought us multiple fascinating items to see, some of them being uniforms, hats and even weapons (decommissioned ones that were completely safe though!) What I enjoyed hearing about most was the rankings and the information about World War 2.

Alice P, Red Kites

In English, we have been reading a book called Leila and the blue fox. During this unit we have learnt to write formally and informally. We have also been developing our use of punctuation and explored using commas, dashes, brackets and semi-colons. We have really enjoyed this text as the story has been in two parts.

Freddie F, Buzzard

For world book day, we started the day with a KS2 assembly. Every class stood up and shared their costume with everyone. When we returned back to class we completed a book and football quiz with schools from all over the country. We also spent time looking at non-fiction books, where we had to create paper crafts following instructions.

Charley W, Buzzard

Diary Dates:

Friday 27th March
Last day of term 1.15pm

Monday 13th April
Back to school

Monday 11th May
SATs week

Week commencing
Monday 18th May
Walk to School Week

Wednesday 3rd June
Class photos

**Monday 22nd—
Wednesday 24th June**
Year 6 Residential trip

Reminders

Reading books and reading records should be in school every day. The children visit the library on a Wednesday afternoon and their books need to be with them each week to ensure they can be returned properly. PE is on a Wednesday. Please make sure all clothes are clearly named.

Don't forget to look at our school website:
www.collegetownprimary.com for any updates.

This term we will be learning.....

Next term, we will begin the SATs on the week commencing Monday 11th May. We know all the children will do their best, they have worked very hard this year so we look forward to seeing the results of all their hard work.

In English in the first part of the summer term, we will be completing diary entries and non-chronological reports on 'The Forgotten Coat' by Frank Cottrell Boyce, then writing news reports and persuasive speeches about the Three Little Pigs Project. In maths we will be consolidating learning from the year.

In other areas of the curriculum, we will be learning about light and shadow, and how we see in science. In Art we will be looking at the use of photography. In RE we will be looking at Christianity and how the faith is celebrated within the community. Our History topic will see us learning about the Sikh empire. Another very busy half term!
