Dear Parents and Carers,

Thank you to everyone who took the time to participate in our recent consultation regarding Sex and Relationships Education (SRE). We greatly value your engagement and the thoughtful feedback you provided.

The consultation has now concluded, and we would like to share the outcome with you. There was an overwhelming majority (92%) in favour of teaching only the statutory content in Year 6. As a result, this approach will be adopted moving forward. This means that current Year 5 pupils will be the first cohort to receive their sex education in Year 6, during the 2026–2027 academic year.

We appreciate the strong level of involvement from our school community and thank you again for your support and input in shaping this important aspect of our curriculum.

If you have any further questions, please do not hesitate to get in touch.

Kind regards,

Trudi Sammons
Headteacher
