July 2026

English

In English, we were learning about Grimm Tales by Philip Pullman. In Cinderella, the Prince said ‘whoever’s foot fitted, he would marry’ so the step sisters’ mum gave them horrible advice to get their feet to fit!

We also learned about a version of the Three Little Pigs where the pigs said it was the wolf’s fault for going into their property, but some people disagreed and they had to defend themselves!

Residential

On our Year 6 residential, we visited PGL (Parents Get Lost as we like to call it!) from 22-24th June 2026 and had an amazing time! Even though we had rain on our parade—or rather campfire—everybody still ate marshmallows and sang songs.

Some of the activities we did included rock climbing, buggie building, sensory trail and trapeze. The food at PGL deserved four Michelin stars because of how delicious it was. We also made some unforgettable memories, met new people and experienced so many new things.

Maths

This term, we have been doing 3D shapes, it was really fun. We got to make cupcakes and designed boxes in different shapes for them to go in. A cuboid was one of the easiest shapes. We had to measure everything correctly and everyone did everything perfectly. We also budgeted for a holiday; working out the cheapest flight, accommodation and food options.

Brian B, Buzzards

It has been a real pleasure teaching your Year 6 children and sharing so many wonderful and funny memories with them. We are incredibly proud of all they have achieved and how much they have grown during their time with us. We will miss them greatly and wish them every success and happiness as they begin their exciting journey into secondary school.
