Emoji Meanings

Did you know that some children and young people may be using emojis to mean something completely different? For example, a cap emoji may be used to represent a lie. It is important that you are aware of how emojis can be used and keep up to date with the way in which they can be used as their meanings are changeable.

Omoggle

Omoggle is an online platform that is for adults only. However, you can simply lie and say you are over 18 to access it. The platform joins two strangers together and uses AI to rate their

appearances in a “mog battle.” As you are paired up with a stranger and can see and hear them, there are serious safeguarding concerns and young people should not be accessing this site.
