3rd September 2026

Dear Parents and Carers,

A very warm welcome back to school! I hope you and your families had a wonderful summer break and enjoyed some special time together. It has been lovely to see the children returning to school, looking refreshed and ready for another exciting year of learning.

The children have settled incredibly well into their new classes and it has been wonderful to see them becoming familiar with their new routines, teachers and classrooms. Our Nursery children have had a super start, and we are delighted with how well they have settled. We are also very much looking forward to welcoming our new Reception children and beginning this exciting journey with them.

As we start the new school year, I would like to remind everyone about the importance of being considerate around the school site. Traffic continues to be a concern, particularly at the beginning and end of the school day, and parking can often create difficulties for families, residents and our neighbours. Please do take care when parking and leaving your car, and be considerate of others. Working together will help us to keep the area around school safe and pleasant for everyone.

We continue to strive for excellent attendance and punctuality, and we really appreciate your support with this. Arriving at school on time and attending regularly makes such a positive difference to your child. It ensures that they have the best possible start to their day, are ready to learn and do not miss important learning or opportunities to connect with their friends.

Over the coming weeks, teachers will be sending out dates for year group meetings, along with curriculum newsletters containing information about your child's learning and what they can look forward to this term. Please do check book bags regularly so that you don't miss any important information.

Thank you, as always, for your continued support and partnership. We are looking forward to a happy, successful and exciting year together, filled with learning, friendship and wonderful opportunities for all our children.

With very best wishes,

Trudi Sammons
